BIG FUN WALK

From East Finchley Station, **cross** the Great North Road by the pedestrian lights and enter Cherry Tree Wood (our friendly registration volunteers will be able to point you in the right direction!) Stay on the main path on the left hand side and in approx 50 metres you will see our **Sandwich Stall**. You can collect your free lunch from here. Continue on the main path and past the **public toilets** towards the exit gate in the North East of the park. Leave the wood and turn **left** onto Fordington Road. At the roundabout with Woodside Avenue go **straight across** into Lanchester Road.

After approximately 45 yards turn **left** (POINT 1) along a small path which takes you up to Highgate Woods. Pass through the gate and keep straight on the main path until you reach Lodge Gate at Muswell Hill Road (POINT 2). Stay in the wood, follow the path **right** and continue along the path running parallel to Muswell Hill road. **Exit** at Gypsy Gate, turn right and proceed up the hill to the traffic lights and **cross** Archway road into Southwood Lane (POINT 3). Use the crossing at the traffic lights with Archway Road to cross to the left hand side of the road – take care at this junction. **Go up** Southwood Lane towards Highgate Village.

When you reach Highgate High Street **turn left** and then cross at the Zebra Crossing and into South Grove (**POINT 4**). There are public toilets in Pond Square on your right. Keep on South Grove until it merges with Highgate West Hill. Walk past South Grove House and down **Highgate West Hill**.

Go down Highgate West Hill and use the traffic island to cross (**POINT 5**) and turn **right** into Merton Lane. At the end of Merton Lane enter Hampstead Heath. **Public toilets**.

Continue down between the lakes, keep **left** (**POINT 6**) and follow the main path with the lakes now on your left. Follow the path alongside the lakes. Once clear of the lakes be sure to take the middle path (**POINT 7**) towards the café. This will take you to the South East corner of the Heath where there are more **public toilets**. Turn **right**, passing the café on your right.

You will pass the Athletics track on your left. Immediately after the play-park and paddling pool, **fork left (POINT 8)** to exit the Heath via the railway bridge to Savernake Road/Constantine Road. Turn **right** and continue along Constantine Road to South End Green (POINT 9). **Public Toilets.**
